My dear Sir

Yours of Dec. 2nd was duly received - I am very sorry to find it impossible to send one of our best speakers to be with you at Williamsport next Tuesday - But I am sure without such presence and such word from one of our women - your Grange will not fail to adopt resolutions & petitions - praying Congress that in whatever form of government it shall provide for our new Island Territories- it shall be based on perfect equality of civil & political rights for women!

It will, indeed, be a great crime for Congress to establish sex oligarchies - among those semi-civilized peoples-

Hoping that your Penn State Grange will do all in your power to secure a genuine form of republican government wherever our stars & stripes float- and that you will have a most successful Convention -I am

Very Sincerely yours

Susan B. Anthony
