Dear Mrs. O'Connor

Here is a copy of the program -- I have just sent one to Mrs. Landsberg to her friends -- I do hope she will not fail to get here -- so far -- I am the only one from Rochester --

I just wish you were here -- nearly every one of the twenty affiliated societies was represented -- at the business meeting last evening -- though nearly every one's train was from four to twelve hours late -- the Utah delegates were the last [??]

Sincerely
