Thursday June 28, 1906

Dear Cousin Hannah,

Your letter just here – 10:20 A.M. Please do not think of stopping over only one train on your way home.

If you have a good girl Mr. Boyles will be all right if you stay longer. you and everyone who is with you, for I shall be glad to hear all about Fannie during the last of her illness and after.

It is sad, and yet

well that she is through with the trials and troubles of this life.

So please arrange to stop as long as you can, yourself, Lisa, Albert & Susie Radley.

I am in splendid health, only a lame ankle, from some unknown cause – but Carrie is all right for doing everything and will be glad to do so. She is splendid – so come.

With love to all the relatives & friends,

Mary S. Anthony

Let us know when you will be here. M.S.A.
