June 19th 1862

Dear Capt.

Yours of the 14th from Washington to Col Baitell was sent to me this morning.

The order accepting the resignation of your Commission I forwarded to you at Fortress Monroe. The application was sent on at once and came back unusually soon. I regret that you should have acted otherwise than with deliberation but supposed your trouble had fastened itself upon you.

Your papers were sent to your address "General Hospital, Fortress Monroe Va" - We are across the Chickahominy, - and look for a fight in a day or two.

Very truly yours
Alex^r D. Adams
